

# Panel Meter Option 766

## Transparent Protective Cover

Datasheet – English 1.01

## Introduction

The panel meter option 766 Transparent Protective Cover provides protection to the panel meter front face. The cover is push-clicked closed at one side. The cover also has a securing hole for a locking mechanism to be attached to provide unauthorised access to the panel meter. The transparent protective cover is made in polycarbonate with a UL 94 V-2 flammability rating.

## 2 Notice

Specifications of the products displayed herein are subject to change without notice. Infiniteq cc, or anyone on its behalf, assumes no responsibility or liability for any errors or inaccuracies.

Information contained herein is intended to provide a product description only. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Infiniteq's terms and conditions of sale for such products, Infiniteq assumes no liability whatsoever, and disclaims any express or implied warranty, relating to sale and/or use of Infiniteq products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright, or other intellectual property right.

The products shown herein are not designed for use in medical, life-saving, or life-sustaining applications. Customers using or selling these products for use in such applications do so at their own risk and agree to fully indemnify Infiniteq for any damages resulting from such improper use or sale.

## 3 Warranty

This product carries a warranty for a period of one year from date of purchase against faulty workmanship or defective materials, provided there is no evidence that the unit has been mishandled or misused. Warranty is limited to the replacement of faulty components and includes the cost of labor. Shipping costs are for the account of the purchaser.

**Note:** Product warranty excludes damages caused by unprotected, unsuitable or incorrectly wired electrical supplies and or sensors, and damage caused by inductive loads.
